

# Loading AVR & ESE380 Libraries

---

- ❑ There are two additional libraries that you must add to your *Capture CIS Lite* installation.
- ❑ They are:
  - ESE380--CUSTOMLIBRARY--UPDATED--2014.OLB
  - ESE380--AVR LIBRARY--COREDEVICES--2014C.OLB
- ❑ They can be found on BB under:
  - Course Documents > Lab Related Documents (Very...)**
  - > OrCAD-Cadence LIBRARIES**
- ❑ The copying and loading into Capture CIS is discussed in the actual tutorial document...
